

# Explore the world in eight museums

with  
**twiddle**  
the museum riddle!

The Leibniz Research Museums

and start playing!**

In each museum you will be accompanied by museum objects, for example by the dinosaur Giraffatitan, the dodo or the earth itself.

Go on exciting quests, make important decisions, find objects in each of the eight Leibniz Research Museums.

Create new objects on your way through the exhibitions and look at them through the lense of the other museums.
